GF: Gluten free

1. “I Just Want Some Ready Warm Food”:

5 lt. warm dish, €17.10

2.5 lt main dish (GF, LF, Ve) – examples: vegetable curry with lentils or vegetable balls...

2.5 lt side dish (GF, LF, V or Ve) – examples: creamy mashed potatoes or bulgur pilaf...

or

3 lt. warm dish, €14.82

1.5 lt main dish (GF, LF, Ve)

1.5 lt. side dish (GF, LF, Ve)

2.5 lt. dish is equal to: 25 soup ladles or depending on how much you eat, around 8 to 10 meals (for adults) – this is my estimation resulting from experience, but it may change dramatically according to your consumption.

2. “A Pastry? Good Idea!”: Price of menu 1 + €7.98

Previous package contents + salty baked good/pastry (always V, sometimes LF, Ve or GF):

Examples: salty cake or open face phyllo pie etc.

(You can also ask for this menu with sweet instead of salty baked good. The price will be same.)

3. “Sweet Sweet Social-Distancing”: Price of menu 2 + €7.98

Previous package contents + Something sweeeeet!

Examples: a delicious coconut cake, hazelnut brownies or chocolate cookies... (always V, sometimes LF, Ve or GF)

The prices above for food packages include 14%VAT. The delivery cost is calculated separately as explained in the next page. There is also possibility of picking up the food yourself (but if you can, I'd very much appreciate if you chose delivery instead).

Additional batch of main or side dish to any menu you choose, each 1.5 lt. In size: +€4.56 per box

- This is a weekly or biweekly food delivery subscription, however you can also for one week only (or in random weeks) to try something different. Both the subscriptions and one-week trials are sent on Tuesday or Wednesday, depending on your location. The ingredients are bought from Heinon Tukku, so the dishes depend on the supplies (and so far, there hasn't been any problem with supplies).
- The dishes are packed in disposable aluminium packs to avoid any hygiene issues that may result from reuse. You will need to heat the “warm” dishes when you want to serve. The packages are recyclable but you must rinse them well.
- The leftovers can be stored in the fridge in an airtight container for 4-5 days or can be frozen for up to 1 month.
- The delivery is made by a startup company called Modeliver. The price calculation is as follows (dispatch point is Kallio):

Delivery within Kallio and city center is 9 €
